AUGUST 2018
You are invited to become a member of the Bella Schlow Society. The Society celebrates the enduring legacy of Charles and Bella Schlow, founders of Schlow Centre Region Library, and honors donors who secure the future of the Library by making an estate or deferred legacy gift.

Charles (shown here) and Bella Schlow founded Schlow Centre Region Library in their home in 1957. Their contributions have impacted generations of readers.

Thank You

By including the Schlow Library Foundation in your estate plan, you will create a personal legacy that will endure for future generations of readers and learners.

Legacy Gifts can provide donors with tax advantages and the satisfaction of long-lasting community impact. Some commonly used options include bequests, charitable trusts, transfers from IRAs and retirement plans, and gifts of life insurance or stocks and bonds.

As a member of the Bella Schlow Society, the Schlow Library Foundation will be able to thank you for your generosity during your lifetime. Unless you prefer anonymity, you will be recognized by the Foundation as a means of honoring your commitment to reading and lifelong learning, and to inspire others to join you. You will be invited to an exclusive annual event for Society members and receive regular Schlow Library updates.

For more information on Legacy Giving, please contact
