[schlowlibrary.org/contact/help/downloads](http://schlowlibrary.org/contact/help/downloads)

## Instructions

1. Visit [schlowlibrary.org](http://schlowlibrary.org)
2. Click [eBOOKS & MORE] in the top panel.
3. Click on [KANOPY].
4. Click [SIGN UP] to create an account. Fill out the brief form. An email will be sent to your email to verify your email.
5. Click [VERIFY MY EMAIL] in the message. You will be taken to Kanopy and asked to add your library card number. Click [ADD LIBRARY CARD] to enter your 14-digit library card number & 4-digit PIN.
6. Review “Here’s how it works.”
7. Click [WATCH NOW].

### USING THE APP

\*requires iOS, Android 4.2

1. Download app from App Store/Google Play.
2. Create a Kanopy account.
3. Add your library.

### USING APPLE TV

\*For 4th generation and above.

1. Go to App Store on the Apple TV, search for app, and install.
2. You will need to link your Kanopy account.
3. Follow instructions on TV.

### USING ROKU

\*For version 7.7.0 and above

1. Add the Kanopy channel by going to Streaming Channels, Search Channels (for Kanopy), select Kanopy, then Add Channel.
2. Link your Kanopy account by selecting a film and press play. Follow instructions on TV.
