Frequently Asked Questions

What is hoopla?

Hoopla partners with libraries to provide online and mobile access to eBooks, eAudiobooks, comics, music, movies and more! Simple to access and easy to use, with no waiting and no hassle.

Can I use hoopla on multiple devices?

Yes, though you can only use your account on one device at a time.

How do I place a hold?

No hold required, users have simultaneous access to all titles.

If I return a title early, will I get my borrowing credit back?

No, you will not be able to check out an item in its place.

Can I return a title before the lending period expires?

Yes, you can return an item early, though it will not give users additional borrows for that month.

Can I renew a title?

Yes, renewing will extend their current borrow, though this will use one of your remaining borrows for the month.

I'm having trouble registering for a hoopla account, or other technical issue.

Please email feedback@hoopladigital.com for troubleshooting and assistance.

Get an Account

1. Go to schlowlibrary.org and log in. Click on the [Books & Downloads] tab.
2. Scroll down and select [Hoopla].
3. Register for an account by clicking **Get Started Today**. Enter the requested information.
4. Enter your library card number and PIN.
